INTERNSHIP CERTIFICATE

To Whom It May Concern

This is to certify that Sajal Nepal has successfully completed an Internship as a STEAM & Robotics Instructor at Engineers Vlogs (E.V. Network Pvt Ltd) from July 28, 2025 to February 28, 2026.

During the internship period, Mr. Nepal actively contributed to technical and instructional activities related to STEAM education and robotics. His responsibilities included assisting in conducting STEAM and robotics sessions, supporting students in hands-on learning, and helping in the preparation of educational materials. He also contributed to project-based learning activities and demonstrated the ability to engage students effectively.

Throughout the internship, he demonstrated strong technical understanding, a willingness to learn, and the ability to adapt to new teaching and development environments. He worked efficiently with the team, showed professionalism in his conduct, and completed all assigned responsibilities within the given timelines. His communication skills, dedication, and positive attitude were commendable.

We found Mr. Nepal to be sincere, hardworking, and disciplined during his internship tenure. He maintained a high level of professionalism and showed keen interest in learning and applying his knowledge in practical teaching scenarios.

We wish him every success in his future academic and professional endeavors.

Sincerely,

Er. Rajnesh Shrestha

Chief Technology Officer (CTO)

E.V. Network Pvt. Ltd. (Engineers Vlogs)
